NELLYRIS (DIDI) NEGRON NORTHAMPTON PA, USA (PUERTO RICAN DESCENT) DRUMMER

Didi's love of music began at an early age, growing up surrounded by musicians at home and in her community. Didi developed a wide range of talents including piano, percussion, guitar, bass guitar, saxophone, trombone and, of course, the drums. All of these disciplines were self-taught!

Just before her high school graduation, Didi was awarded a scholarship in recognition of her outstanding musical talents, which afforded her the opportunity to train privately under the tutelage of John SanFilipo, a renowned drum instructor in Lehigh Valley, PA.

It was then that Didi realized there was no other profession for her to pursue than a career in music! Didi attended the world-renowned Berklee College School of Music in Boston, MA, graduating with a major in Music Performance. During her time at Berklee, Didi was offered, and is still endorsed by, Vater Drum Sticks, Sabian Cymbals, Gretsch Drums, Latin Percussion, Roland V-Drums and CymPad.

In 2010, Didi represented the United States for the Roland V-Drum competition in Las Vegas, after taking home the title of New York regional winner in the Guitar Center Sam Ash V-Drum Drum-Off. She has toured with the

Roland V-Drum Girl Scouts Rock Band, inspiring and empowering young girls through music, and Didi also toured the Dominican Republic and Puerto Rico with a traditional Latin "Plena and Salsa" band, helping to develop her versatile playing style.

Didi was invited to join Cirque du Soleil during the creation process of Amaluna in 2012 and is the first ever female drummer to perform in any Cirque du Soleil show. Years later in 2018, she got asked once again to join the creation process for the revival of Alegria. For this new show, she also has the opportunity to be the back-up band leader. Didi is so proud to be a part of the creativity, passion and beauty surrounding her onstage every show!

The Alley Theatre is bringing to Houston the play Quixote Nuevo by Octavio Solis, which updates one of the most essential works in Spanish literature-Don Quixote, January 17, 2020 to Feb. 9.

Nuestra Palabra: Latino Writers Having Their Say is proud to unite with the Alley Theatre to get this work to as many people in our community as possible during Nuestra Palabra's 22nd Anniversary season-Nuestra Palabra Style.

The playwright, Octavio Solis, wrote Quixote Nuevo. He is also the author of many other plays and the powerful memoir Retablos. He is a Mexican American writer from Texas who understands our daily life, our dreams, how we envision the future, and what touches our hearts.

And the Alley Theatre as one of the leading theatrical organizations in the nation has used all of its genius and resources to bring Quixote Nuevo to life on stage in Houston from Friday, January 17 to Feb. 9th. Under the leadership of Artistic Director Rob Melrose, the Alley Theatre has not only made this a world-class production, but they've also made it fun, and engaging, and they are rolling out the red carpet for the Latino community.

The star of the play is actor Emilio Delgado who you will recognize from appearing on Sesame Street for 40 years. In an era where we lament the lack of representation in Hollywood, it is comforting and nostalgic to get to see Emilio on stage and live. For decades he was the lone figure on a national broadcast who looked like us or our family members. It is thrilling to have him in Houston for this performance.

Additionally, The Alley Theatre has cultivated a profound relationship with Nuestra Palabra: Latino Writers Having Their Say. We have been involved in developing the outreach for this critical work from beginning to end. No other major mainstream organization in the city or the state and possibly even with the country

has worked as closely with a community-based organization for such a major production.

This means that you can expect to hear from Octavio and Emilio as well as KJ Sanchez, the Latina who directs to play, on our radio show Nuestra Palabra: Latino Writers Having Their Say Tuesdays live from 6 pm to 7 pm on 90.1 FM KPFT. You will also have opportunities to meet them in person, to hear about their work, and to learn from them. That's what Nuestra Palabra is all about, and we're thrilled that the Alley theater has opened its heart and theatre to our approaches. This also means those same folks will be visiting the community, and when our community goes to the Alley Theatre-they will roll out the red carpet, and we will be acknowledged. This is a whole new era. I hope that you will have a chance to experience our art and culture in all its splendor.

Visit the Alley Theatre website for dates and tickets: www.AlleyTheatre.org

Tune into the Nuestra Palabra radio show for interviews and more cultura.

Disneyland Resort debutará su nuevo desfile “Magic Happens” en Disneyland Park el 28 de febrero de 2020. Este espectáculo increíble vespertino celebra los momentos más mágicos e impresionantes que forman parte del corazón de tantas historias de Disney. Este desfile nuevo, liderado por Mickey Mouse y sus amigos, celebra momentos de magia de Walt Disney Animation Studios y Pixar Animation Studios films, convirtiéndolos en realidad a una escala inmensa con carrozas impresionantes, vestuario creativo y una banda sonora musical sorprendente y rítmica que se combina con las melodías siempre estimadas de Disney.

“Cuando vienes a Disneyland y Disney California Adventure, hay tantas formas de sumergirse en nuestras historias pero un desfile es una experiencia única porque es la única forma para ti, como parte de la audiencia, de permanecer en un mismo lugar y disponer de tantas historias, personajes, escenas y momentos mágicos pasando por delante tuyo”, dijo David Duffy, director creativo Disney Live Entertainment. “Hemos diseñado las carrozas de “Magic Happens” de forma que los personajes, las escenas y las sorpresas sean reveladas poco a poco, haciendo que cada carroza sea un viaje de descubrimiento”.

“Magic Happens” incluye algo para todos y podrá ser disfrutado por los visitantes de todas las edades. Este nuevo desfile presenta nueve carrozas completamente nuevas, en las que se destaca la magia de cuentos clásicos de Walt Disney Animation Studios tales como “The Sword in the

Stone”, “Cinderella” y “Sleeping Beauty”, y más recientes historias incluyendo “Frozen 2”, “Moana” y “The Princess and the Frog”, de Disney Animation Studios, así como “Coco”, de Disney y Pixar. Las carrozas nuevas fueron creadas como piezas móviles de arte, con sus líneas y diseño estético colaborando para contar una historia mientras el desfile prosigue por su ruta, al tiempo que evoca una sensación de magia.

“Este desfile celebra la forma como la magia afecta tanto a los personajes en las historias como a los invitados que las miran”, dice Jordan Peterson, director del espectáculo para Disney Live Entertainment. “Magic Happens” es como una carta de amor a aquellos momentos transformativos tan especiales”.

Además de las carrozas impresionantes, el desfile, que recorre Main Street, U.S.A., estará repleto de artistas dinámicos y más de dos docenas de personajes de Disney y Pixar. El diseño de vestuario del desfile se inspira directamente de las pasarelas de moda contemporáneas, por lo que cada traje ha sido creado con vistas al futuro, pero aún así distintivamente Disney. En “Magic Happens” muchos artistas y personajes lucirán nuevos trajes, específicamente diseñados para este desfile.

Mientras la música y las historias vistas en “Magic Happens” están ancladas en la tradición icónica de Disney, la banda sonora y la coreografía están notablemente influenciadas por los diseñadores de la cultura contemporánea, dando un toque moderno a los populares clásicos

de Disney. “Magic Happens” presenta una banda sonora musical energética y nuevas canciones, co-compuestas por el cantante y compositor Todrick Hall.

“Este es un momento en el que se cierra el círculo para mí”, dijo Hall, quien inició su carrera en el Walt Disney Resort en Florida como actor en “Beauty and the Beast – Live on Stage”. Aprendí cómo bailar mirando los desfiles de Disney, así que el hecho de que ahora esté creando la música que estos personajes de Disney icónicos van a interpretar es prácticamente lo más épico que me ha pasado en mi vida”.

“Magic Happens” es una procesión fantástica y jubilosa que permite que brille la magia de Disney. El desfile incluye historias distintivas con una mezcla de personajes, lo que hace que sea tan contemporánea como clásica, tan sorprendente como familiar, todo al mismo tiempo”. Algunos

de los elementos más destacados del nuevo desfile “Magic Happens” son:

La primavera es una época ideal para visitar Disneyland Resort y vivir el nuevo desfile “Magic Happens”, porque el resort está ofreciendo ofertas especiales y por tiempo limitado de boletos y hoteles. Los niños de todas partes * Oferta válida para niños y niñas entre 3 y 9 años. Los boletos vencen o caducan 13 días después del primer día de uso o el 21 de mayo de 2020, cualquiera que sea la primera opción. Cada día de uso constituye un día completo. Los boletos no son reembolsables y no pueden ser vendidos ni transferidos para su uso comercial y excluyen actividades o eventos que requieren de la adquisición de un boleto por separado. La oferta no puede ser combinada con otros descuentos o promociones para los boletos. Oferta sujeta a capacidad en los parques, restricciones y cambios sin previo aviso.

JAMES HARDEN VOTED AS STARTER FOR 2020 NBA ALL-STAR GAME

Feb. 6 at 6 p.m. CT.

The NBA announced that Houston Rockets guard James Harden was voted a starter for the 2020 NBA All-Star Game, which takes place in Chicago on Sunday, Feb. 16 at 7 p.m. CT and will be televised by TNT. It is the fourth straight year that Harden has been voted a starter. He also replaced Kobe Bryant in the starting lineup in both 2014 and 2015.

Harden has been named an All-Star in each of his eight seasons as a Rocket. He is tied with Yao Ming for the second-most All-Star selections in franchise history, trailing Hakeem Olajuwon's 12.

Fans accounted for 50 percent of the vote, while current players and a panel of basketball media accounted for 25 percent each. Harden finished second among Western Conference guards in voting in each of those categories.

All-Star reserves, as selected by head coaches, will be announced on Thursday, Jan. 30 during TNT's pre-game show. The 2020 NBA All-Star Draft will be televised by TNT on Thursday,

Harden leads the NBA in scoring this season with 36.7 ppg, while also averaging 7.4 apg, 6.2 rpg and 1.64 spg. He led the league with a career-high 36.1 ppg in 2018-19 and is looking to become the first player since Wilt Chamberlain to have averaged at least 36.0 ppg in consecutive seasons. Michael Jordan (37.1 ppg in 1986-87) is the only other player to have averaged at least 36.0 ppg in a season since Chamberlain last did so in 1963-64.

This would be the third straight season Harden will have led the league in scoring. He would join Kevin Durant (2009-10 through 2011-12) as the only players to accomplish that feat since Jordan did so from 1995-96 through 1997-98.

Even if Harden was held scoreless over the final 39 games of the season, he still will have averaged 19.0 ppg, which would rank top-40 in the league among current qualifiers. Harden has scored 40-plus points 44 times dating back to last season, with Houston winning nearly 80% of those games. No other player has more than 43 40-point games dating back to 2011-12.

STATEMENT FROM HOUSTON TEXANS CHAIRMAN AND CEO CAL MCNAIR

The following is a statement from Houston Texans Chairman and Chief Executive Officer Cal McNair on title changes for Bill O'Brien (Head Coach and General Manager) and Jack Easterby (Executive Vice President of Football Operations):

"Preparations are underway for the 2020 season and I thought it was important to update titles, roles and responsibilities for Bill O'Brien and Jack Easterby so they more accurately reflect the way we have been operating for the past eight months," said McNair. "I was encouraged by the progress that our team made on the field this year which was due in part to our new structure, operating approach and the leaders within our football operations group. I am proud that we provided our fans with many thrilling victories at home, including a playoff win, and we delivered another double-digit win season. Our fans deserve that,

but now it is time for the organization to get back to work toward our pursuit of a world championship for the city of Houston."

In their first season together, O'Brien and Easterby led the Texans to a 10-win season and the team's second-consecutive AFC South title. Houston defeated the Buffalo Bills in the AFC Wild Card Round and advanced to the Divisional Round for the fourth time in team history.

The Texans have won the AFC South four times in the last five seasons, which ties for the second-most division titles in the NFL since 2015 and ties O'Brien for the most division titles by an active head coach in their first six years. Houston has won the second-most games (21) over a two-year span in team history and posted five winning seasons in six years under O'Brien.

Dynamo fans had their first chance to get a look at the 2020 squad at Fan Fest on Saturday, January 25 at BBVA Stadium. For the fans, players, and staff, there was an obvious sense of excitement and anticipation in the building as the start of the 2020 season will be here in just a month.

Dynamo fans had their first chance to get a look at the 2020 squad at Fan Fest on Saturday, January 25 at BBVA Stadium. For the fans, players, and staff, there was an obvious sense of excitement and anticipation in the building as the start of the 2020 season will be here in just a month.

“It was a really exciting day to see all the fans come out and support the team. Obviously, it was exciting for us, but also to anybody that is new to the stadium, all the new players that we had coming in, and the players who were here from before who already feel a little more excited about this year.” said Tab Ramos. “It was a great day, not just

for the fans, but also for us as a team.”

Fan Fest was also an opportunity for the newest members of the Dynamo to interact with fans for the first time, something Zarek Valentin had been looking forward to. “It is about time. There is a lot of talk in the off-season and a lot of downtime, so

it good for the players and myself especially, being someone new, to just get out here and experience BBVA Stadium from a different perspective.”

The Dynamo kick off the 2020 season on February 29 as they host the LA Galaxy tickets are on sale now.

Empresas tecnológicas y petroleras ofrecen becas a escuelas para educación STEM

El American Petroleum Institute (API) se ha sumado a empresas líderes como Boeing, Chevron o Microsoft a un programa de becas para carreras de ciencias y tecnología a través de Discovery Education, proveedor líder de recursos educativos digitales en Estados Unidos, al que se pueden suscribir distritos escolares de todo el país.

STEM Careers Coalition es un programa que ayudará a preparar a 10 millones de estudiantes para los trabajos del futuro con fondos que sufragarán todos los costes de formación digital en materias de ciencia e ingeniería para prepararles en el acceso a la universidad.

Unos 10 millones de estudiantes se beneficiarán de este programa hasta el año 2025. Los fondos han sido comprometidos por grandes empresas como Chevron, Boeing, Microsoft, Best Buy, u organizaciones gremiales como el Instituto Manufacturero y el Instituto Americano del Petróleo (API).

Todas estas empresas demandan y dependen de un flujo constante de buenos estudiantes de STEM, que además optan por las carreras mejor pagadas del mercado laboral en Estados Unidos y unas de las más estables y con más recorrido.

"Los miembros de la coalición están canalizando e implicándose a nivel en regional en el desarrollo de la fuerza laboral con la creación de vías que conectan a estudiantes K-12 y educación pos-secundaria con la fuerza laboral de STEM", señaló la coalición en un comunicado.

Elia Quintana, directora de Stakeholder Relations del American Petroleum Institute (API), explicó que "una fuerza laboral diversa es fundamental para que las empresas representen la composición del país. Debemos representar a la población a la que servimos, no solo en la industria o a nivel filantrópico, sino también en toda la cadena de suministro y en de las comunidades en las que estamos".

LA INDUSTRIA DEL PETRÓLEO Y GAS

El American Petroleum Institute (API) es parte de esta coalición educativa y pondrá el foco en comunidades hispanas para que lancen sus carreras técnicas, de ciencia e ingeniería y consigan integrarse en el sector de petróleo y gas en Estados Unidos, uno de los más estables y mejor pagados del país.

En total, alrededor de 1,9 millones de puestos de trabajo estarán disponibles en el sector hasta 2035 debido, por una parte, al crecimiento económico que el gas y petróleo está experimentando en los últimos años, y por otra, a las bajas provocadas por las jubilaciones de los actuales empleados,

lo que convierte a este sector en un lugar atractivo para la población "millennial" y generaciones jóvenes.

La industria del petróleo y el gas demandará un gran número de empleos técnicos de nueva creación y para reemplazar a los puestos que se jubilan durante los próximos años y la comunidad hispana, una de las minorías que más importancia dan a la educación en Estados Unidos es una de las principales que podrá beneficiarse de estas nuevas oportunidades.

En la actualidad, el sector emplea de forma directa e indirecta a más de 10 millones de personas en el país y supone un 8 % del Producto Interior Bruto (PIB) estadounidense. Además, los empleos que requieren capacitación en ciencias técnicas o STEM se espera que crezcan en un 9% hasta 2024, con lo que la formación temprana será clave para poder tener acceso a talento cualificado.

Queremos entrenar y atraer al talento hispano con este programa", señaló Quintana, quien recuerda que la industria del petróleo y gas cuenta con los trabajos técnico mejor pagados de todo el país, tanto a nivel de certificación, como universitario.

STEM CONNECT

El programa cuenta con STEM Connect, un conjunto de recursos interdisciplinarios, que se inspiran en los Objetivos de Desarrollo de Naciones Unidas y el los Desafíos NAE en ingeniería, para mejorar el currículum formativo de los estudiantes, de modo que les provea con capacidades de resolución de problemas para la solución de desafíos en el mundo real y profesional.

Los estudiantes podrán formar parte de un programa que aplica lo último en investigación y donde se establecen prácticas de compartición de datos y colaboración a nivel global.

"La STEM Careers Coalition conectará a los colegios con carreras a una escala sin precedentes. Creemos que con una inversión directa en escuelas con el foco en la equidad y con la implicación de los miembros de la coalición, así como con la exposición a experiencia digitales STEM, más estudiantes tendrán la oportunidad de verse en un futuro como líderes STEM", aseguró Lori McFarling, la presidente de asociaciones corporativas de Discovery Education.

Líderes locales y educadores pueden solicitar su participación de su distrito escolar en las becas de STEM Careers Coalition en el siguiente enlace: <https://www.discoveryeducation.com/corporate-and-non-profits/scholarships/>

INMIGRACIÓN & POLÍTICA

BLOOMBERG PROMETE ANTE LATINOS VÍA A LA CIUDADANÍA PARA 11 MILLONES DE INMIGRANTES

El exalcalde de Nueva York Michael Bloomberg lanzó este miércoles su campaña a la Casa Blanca en clave latina, prometiendo a los hispanos mejoras económicas y sociales, soluciones para los indocumentados y el fin de la hostilidad contra esta comunidad impulsada por Donald Trump.

Para presentar sus iniciativas dirigidas a los latinos, Bloomberg eligió la fronteriza ciudad de El Paso, en Texas, escenario el pasado agosto de un tiroteo que dejó 22 muertos, cuando un joven abrió fuego en un centro comercial con el objetivo declarado de atacar a hispanos.

“No es coincidencia que un racista condujera más de 600 milas para venir aquí y disparar a mexicanos”, dijo Bloomberg, que responsabilizó a Trump del aumento de los crímenes de odio.

Según recordó, el actual inquilino de la Casa Blanca ha tratado de “demonizar” a los inmigrantes, llamándoles “criminales, violadores y asesinos” y diciendo que hay demasiados hispanos en el país.

“Les ha llamado animales. Ha dicho que nuestro país sufre una invasión y que se enfrenta a un infestación. Eso es lo que llamaban a los judíos en la Alemania nazi. Esto son más que palabras”, insistió.

Según el empresario, “los supremacistas blancos oyen ese lenguaje como una invitación o incluso una licencia para matar”.

Si logra ganar las primarias y las elecciones, Bloomberg se comprometió a ser el presidente que terminará con la división creada por Trump y que una al país.

MOTIVACIÓN **María Marín**

KOBE BRYANT SIN LÍMITES

Imagina que has trabajado por 20 años en tu profesión y se llega el momento de retirarte, de cerrar este ciclo en tu vida de madrugadas, ausencias de tu familia y trasnochos. Algunos te dicen “vas a poder dormir más” “Vas a vivir sin prisa ni apuros” “Vas a tener tiempo para ti y tu familia” pero tu por dentro piensas ¿Yen qué rayos invierto mi tiempo si la mitad de mi vida me dediqué a hacer lo único que sé hacer?

Entonces, decides desempolvar la caja de tus sueños no realizados a ver que encuentras, y que sorpresa ¡hay uno que te emociona! y ¿me creerías si te digo que puedes lograrlo e incluso con más éxito del que has tenido? Esto le paso al admirado y querido Kobe Bryant, uno de los mejores basquetbolistas de la historia, quien recientemente perdió su vida en un trágico accidente aéreo junto a su hija de 13 años, noticia que a trastornado al mundo entero. La mayoría lo re-

cordarán por ser una leyenda en el equipo de los Lakers de Los Ángeles y porque se encuentra entre los tres mejores jugadores de basketball del mundo, pero yo especialmente lo recordaré porque me enseñó una de las mejores lecciones de vida.

Cuando su vida profesional terminó en las canchas decidió ir por un sueño que tenía cuando pequeño: Contar historias. Todos sabemos que él no hacia nada a medias hasta cuando estaba lesionado daba lo mejor de él en la cancha y de esa manera logró ser campeón de la NBA 5 veces. Y esta misma pasión por la excelencia la empleó para contar una historia sobre Basketball de cómo la vida requiere de un intenso valor para hacer los sueños realidad. Así fue que nació el cortometraje Dear Basketball, el cual lo llevó a ser el único basquetbolista en ganar un prestigioso Oscar en Hollywood. Sus legados nos

enseñan que no importa cuantos logros hayas tenido, mientras estés aquí en la tierra siempre hay oportunidad de aprender o aprender algo nuevo.

NFL ANNOUNCES LOCATIONS OF 2020 NFL DRAFT EVENTS IN LAS VEGAS

LAS VEGAS - Bringing fans and players together, the 85th NFL Draft will host various free events at iconic Las Vegas locations, April 23-25, 2020, the NFL announced today. The Draft comes to Las Vegas as the Raiders prepare to embark on their first season in the city and at Allegiant Stadium. The celebration – at the NFL Draft Red Carpet, NFL Draft Main Stage and NFL Draft Experience – will include free immersive activities and live entertainment and performances, bringing a new level of excitement to the NFL Draft that only Las Vegas could provide.

“Embracing Las Vegas’s unique energy and iconic locations as the backdrop for the 2020 NFL Draft will further elevate this growing event,” said PETER O’REILLY, NFL EXECUTIVE VICE PRESIDENT, CLUB BUSINESS & LEAGUE EVENTS. “We look forward to continuing to work closely with the Raiders, Las Vegas officials and the Las Vegas Convention and Visitors Authority to create an unforgettable week-long celebration for our fans, the incoming prospects and our partners, as we kick off the NFL’s next 100 years.”

Set against the iconic backdrop of the Strip, the NFL Draft Main Stage will be constructed next to the CAESARS FORUM. Free and open to the public, fans are invited to gather at the Draft Main Stage viewing zone to watch the first round selections on Night 1 (Thursday), Rounds 2-3 on Night 2 (Friday), and Rounds 4-7 on Day 3 (Saturday). The Main Stage will also host daily performances by headlining acts throughout the Draft.

All three days of the NFL Draft will be broadcast on NFL Network, ESPN, ESPN Deportes and ABC – including two nights of primetime coverage on Thursday and Friday.

“The Raiders are thrilled to join the Las Vegas Convention and Visitors Authority, the resort corridor, and the local community in welcoming fans to Las Vegas for the 2020 NFL Draft,” said RAIDERS PRESIDENT, MARC BADAIN. “Just as the NFL journey begins on Draft weekend for many young players, the Silver and Black’s journey in the Sports and Entertainment Capital of the World is also just beginning. There is no better place to showcase this special event than on the famous Las Vegas Boulevard, and fans will be treated to a truly unique experience in an iconic location.”

Located adjacent to the NFL Draft Main Stage, the NFL Draft Experience presented by Oikos® Triple Zero will be a free, three-day football festival highlighted by interactive games, the Vince Lombardi Trophy, autograph sessions with NFL players and Legends, brand activations, giveaways and the NFL Shop presented by Visa. At the center of the action will be the NFL Draft Experience Stage, which will feature special performanc-

es by Las Vegas talent as well as interactive NFL-themed experiences.

The NFL Draft Experience will be free and open to fans at the following times:

- Thursday, April 23: Noon – 9 PM PT or the end of round one
- Friday, April 24: Noon – 9 PM PT or the end of round three
- Saturday, April 25: 9 AM – 6 PM PT or the end of round seven

“We are excited to partner with the NFL and the Raiders for our first major event together in Las Vegas,” said STEVE HILL, CHIEF EXECUTIVE OFFICER AND PRESIDENT, LAS VEGAS CONVENTION AND VISITORS AUTHORITY. “Our destination prides itself on creating unforgettable and epic events and experiences and we believe the 2020 Draft will be among the most thrilling events Las Vegas has ever hosted. We look forward to welcoming hundreds of thousands of NFL fans to our world-class destination on April 23.

CAESARS FORUM, the newest state-of-the-art conference

center, located adjacent to the High Roller observation wheel on the Las Vegas Strip, will be host to Selection Square. This exclusive area will feature the team tables where representatives from each club will make their draft selections.

The 2020 NFL Draft will open on Thursday, April 23 with the official NFL Draft Red Carpet, which will be constructed on the famed Fountains of Bellagio. Starting at 2:30 PM PT, attending prospects will make their debut on the carpet. New this year, the red carpet will feature the Draft Red Carpet Stage, an exciting new addition to the opening event.
